## Old Spice

dying rich old man  
gets one final haircut, then  
cuts off all his heirs

## Solo

Without a partner,  
the deaf man dances even  
when the music stops

## Partisan

Words of interest  
often fail to find purchase  
when bankrupt minds close

## Time

Spent sun dies and sinks  
Ocean swallows and forgets —  
I'm so damned mortal!

*Hugh Findlay's writing and photography have been published worldwide. Nominated for a Pushcart Prize in 2020 for poetry, he is in the third trimester of life and hopes y'all like his stuff. Instagram: @hughmanfindlay*
